EBA advocates the **harmonization of national waste management legislation**, directly the creation of the economic mechanism on Extended Producer Liability to the EU Community

Acquisition and the fulfillment of commitments in the light of the Association Agreement and DCFTA.

The topic is discussed on the Platform of Economic Council to the Prime-minister, at the request of the European Business Association, for more than 3 years.

A Press Release on the Extended manufacturer responsibility, with EBA intervention, can be visualized here:
