USAID
DIN PARTEA POPORULUI AMERICAN

Proiectul Competitivitate și Reziliență Rurală în Moldova

Goals:

Stimulate the competitiveness of key economic sectors, including high-value agriculture (HVA), the wine industry and tourism;

Boost cross-sectoral collaboration to increase advocacy capacities of sector associations and to build associations' capacity to increase their "policy influence" for a better and robust representation of their members.

20.11.2023
